Common Questions

How long can Butter Braid pastries stay out of a freezer?

Butter Braid pastries will be delivered frozen at 0°F and will stay frozen for approximately 2-3 hours at room temperature after delivery. Bring a cooler if you need more time.

Why can't I buy them in stores?

By offering Butter Braid pastries exclusively through fundraising, superior quality is maintained and each customer is guaranteed a fresh product. Butter Braid pastries are an all natural hand-braided pastry made in Iowa, flash frozen and shipped in just for your group. Limited availability is also important to keep demand high and increase profits for our fund raising groups.

How long does this fundraiser take?

Start your fundraiser and take orders for two weeks, tally your totals, and give us a call. 7-10 days later we can deliver. It's simple, fast and fun!

What should I expect at delivery?

This is the part everyone loves! We will assist you in dividing your orders by individual at delivery. If you've ordered more or less than you need, we can fix it on the spot. Butter Braid pastries come packaged in small cardboard boxes that are easy to carry and help to keep them cold. We strive to make this the least amount of work for you, and a profitable painless experience. For sport groups, we will deliver right to your practice or game!
